

About Pictured Rocks Camp Facilities and Location:

Tucked away in a hilltop clearing on 74 acres, Pictured Rocks is adjacent to Camp Courageous and surrounded by Pictured Rocks State Park where the scenic Maquoketa River winds through the limestone bluffs and timber.

Campers experience God throughout the entire day's program.

Programs vary by age but include Frisbee golf, rock climbing, nature hikes, canoeing, indoor swimming, an all ages Talent Show, and many more.

Youth will gain leadership skills and will engage in team building each day, setting goals and celebrating new accomplishments.

Campers sleep in air-conditioned cabins and lodges and are offered an opportunity to camp outside for one night.

The homemade meals are incredibly delicious and nutritious and include fresh bread and bakery items.

Their day comes to a close around an evening campfire where they enjoy singing and snacks.

"Camp is the best thing I did all year," said a 2010 camper. "I will for sure be back again!"

Come join us!

#

- Episcopal tradition, Christian formation, and worship
- Fun, creative Bible study
- Swimming
- Arts & Crafts
- New Friends
- Learn about nature on hikes through the miles of woods
- Caring, trained staff
